

Task-3: Create a Personal Portfolio Website using HTML and CSS.

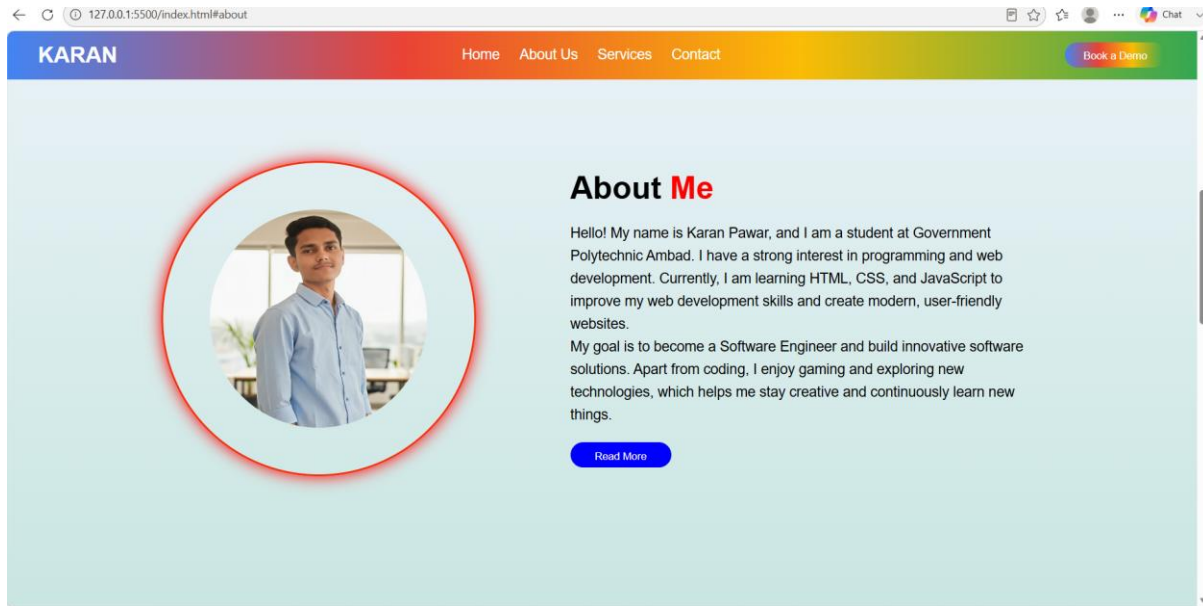

- Name: Karan Bhausaheb Pawar
- Domain: Mern Stack Development
- College: GP Ambad
- Branch: Information Technology

OUTPUT:

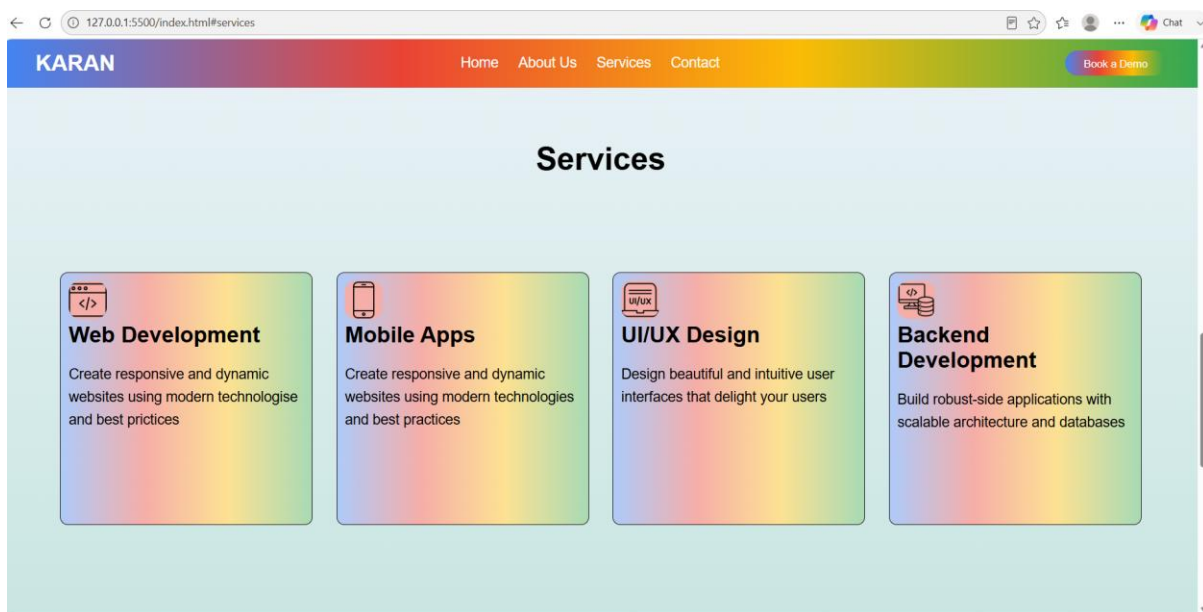

1: Home

2: About Us

3: Services

4: Contact

The screenshot shows a web browser window with the address bar displaying '127.0.0.1:5500/index.html#contact'. The browser's address bar includes navigation icons and a 'Summarize' button. The website has a rainbow-colored header bar. On the left, the word 'KARAN' is displayed in white. On the right, there are navigation links: 'Home', 'About Us', 'Services', and 'Contact', followed by a 'Book a Demo' button. The main content area has a light blue background. In the center, there is a white contact form titled 'Contact Me' in bold black text. The form contains the following fields: 'Name:' with a placeholder 'enter your name', 'Email:', 'Password:', 'Phone:', and 'Message:' with a placeholder 'enter your Message'. At the bottom of the form is a 'Submit' button with a rainbow gradient.

<h1>About Me</h1>

<p>

Hello! My name is Karan Pawar, and I am a student at Government Polytechnic Ambad.

I have a strong interest in programming and web development. Currently, I am learning

HTML, CSS, and JavaScript to improve my web development skills and create modern, user-friendly websites.

</p>

<p>

My goal is to become a Software Engineer and build innovative software solutions.

Apart from coding, I enjoy gaming and exploring new technologies, which helps me stay creative and continuously learn new things.
